Comment on FR Doc # 2015-14921

Submitter Information

Name: Stanley W Bratcher

General Comment

The federal government is greatly overstepping the authority granted in the constitution. I do not wish the federal government to place restrictions on my use of my personally assembled retirement funding program. I have worked for 50 years to assemble this fund. My knowledge was the basis of its assembly. My knowledge provides me the ability to choose my retirement route. Keep the restrictions away from my money and my freedoms.
