General Comment

isn't it bad enough I have been broke since you took office. Back off and leave my retirement alone. I know my bills and you don't. I am not the one who has a spending sickness, that my friend is you. Stop sticking your nose into my affairs. Learn to budget. If you need money so bad take it from your own pocket or congress or senate. You get enough of mine. I am done with you destroying everything you touch.
