General Comment

Dear Federal Decision Makers,

I've already retired from the U. S. Army & receive a retirement check each month. I served 20 years in support of two war for my country & proud of it. I don't have a 401K or an IRA. I receive military retirement & medical disability. I feel the real issue is the government wants control peoples spending & retirement at which I totally disagree. The government needs to take a hard look at their spending & figure out a way to control it.

Melvin J. Thomas,
SFC, U.S.A. Retired
