Document: EBSA-2010-0050-DRAFT-1767

Comment on FR Doc # 2015-14921

Submitter Information

Name: Kevin W.

General Comment

I have been putting into my retirement accounts given a certain understanding between myself and the government. It is wrong to change that "contract" after it has began. It is impossible for a person to plan for the retirement they want when the government keeps changing the "rules".

It is bad enough that the government steals 12% of my income to parcel it back as they see fit. Leave me and the rest of my money alone.
