General Comment

I can plan my own retirement. I mean no disrespect but more & more of our rights are being taken away, what happened to the land of the free?? Seems we dont have any say and do what we want to do anymore!! The rebel flag being taken down & MANY want it to stay..... that is CRAZY!!!! But again you do what you want instead of doing what is right. I have worked hard my whole life & all these changes haven't helped my family & I at all!!! It has only cost me MORE!! So now you are attacking my retirement too?! I understand everyone lives different. I guess you could say I am middle class & I am a good person that has lived my life to the best within my means. It's time to stop all this nonsense & make America great again. Do NOT pass this ridiculous retirement law too!
