General Comment

Dear government officials,

Please take note of the results from the Reagan administration, that resulted in good economic times for us, your constituents .

That is what we prefer so stop with the draconian regulations that are killing this country. Remember government is the problem lighten up and let us and the free market back into play. You have messed up so badly that now Donald Trump is going to sweep the election for president. Obama is the reason, just like Carter was for Reagan. Here's your sign

Regards,

Victor Hayworth
