Honorable Thomas Perez

Secretary of the United States Department of Labor:

Dear Secretary Perez:

I am concerned that the proposed Department of Labor rule dealing with fiduciary duties of investment advisors may also have the effect of eliminating my ability to sell cover call stock options on stocks I own in my self directed retirement accounts. It is my earnest request that the proposed regulation be revised so that I will continue to be able to sell cover call stock options in my self directed retirement accounts. Please contact me with any questions. Thanks

Very truly yours,

Ralph M. Wilson
