Subject: Please Stop the Fiduciary Rule

To Whom it May Concern:

I am in the financial services industry and I would like you to know that the Fiduciary Rule that was proposed on April 20, 2015 would be detrimental to my personal lively hood and the business I have spent my life building over the past 20 years. I also believe that it will be terrible for the middle-class and how they get help with their savings. Please do not move forward with the rule!

Thank you for you consideration,
Rake Murray
