General Comment

Thank you for opening these rules for comment prior to the attempted theft of my retirement funds. If these rules appear likely to be adopted I will: (1) cash out any and all retirement funds and accept the penalties, (2) convert these funds into tangible assets, beginning with precious metals, (3) place them in a secure location out of your reach, and (4) make the U.S. Constitution and free market capitalism a central theme of all my future political decisions. OK, I do #4 now.

Thanks, again, and have a horrible life in government servitude.
