To Whom It May Concern,

I'm completely opposed to any government takeover or management of retirement accounts like 401(k)s.

The government has shown itself wholly incapable of managing its own finances. Any government interference with 401(k)s would just be yet another way to steal the hard-earned money of responsible Americans, so that politicians could spend it on pork and welfare. That would be morally grotesque -- and grind the economy to a halt.

Respect property rights: hands off our retirement savings! My 401K is my money. I earned it and you have no right to take it from me.
