Subject: RIN 1210-AB39

My name is Nancy L. Cavey and I am an ERISA attorney in St. Petersburg, Florida and handle cases nationwide.

I am requesting that the DOL not delay in the implementation of the new claims regulations. ERISA is a difficult law and does lead to unfair results in litigation of long-term disability claims. These rules help level the playing field and benefit both disability companies the policyholders.

Nancy L. Cavey, Esquire
