General Comment

I strongly disagree that ANY insurance plan should be GRANDFATHERED out of having to adhere to the Patient Protection and Affordable Care act IRS 2010-0010-0001.

I, along with hundreds of thousands of other DEMAND a FAIR and LEVEL playing field with regard to insurance coverage to ensure that we get the best care from OUR doctors and not have to pay with our lives to get it from an insurer who is goverened by the same rules as any other company.
