Re: Interim Final Rule for Group Health Plans and Health Insurance
Coverage Relating to Status as a Grandfathered Health Plan Under the Patient
Protection and Affordable Care Act

As a consumer I wish to formally comment on the
interim final rule regarding health plans and "grandfather" status (Document
ID IRS-2010-0010-0001).

I believe the consumer protections included as part of the new health care law
are vitally important and should be extended to as many people as possible.

Every effort should be made to increase the number of individuals covered by
the Patient Protection and Affordable Care Act (PPACA) via the above
regulations. The triggers or conditions that would extend these protections to
consumers under currently existing "grandfathered" plans should not be
weakened or reduced in any way.

I specifically support the position and detailed comments offered by the
American Chiropractic Association with respect to the implementation of
these regulations.

Sincerely,

Chris G. Dalrymple D.C., F.I.C.C.
