Comment on FR Doc # 2010-14488

Submitter Information

Name: Robert Jay Gruenenfelder

Address:

Sweetwater, TN,

General Comment

I believe "grandfathering" insurance companies and allowing them to circumvent the rules defeats the purpose of the legislation. If the intent was to protect the consumer, then hold fast to law, and don't give in to the insurance companies. If everyone has different rules, then it will also create more work for oversight.
