Subject: Thanks a million -- birth control access for all women
Date: Tuesday, August 02, 2011 4:46:35 PM

Dear Kathleen Sebelius, Secretary of Health & Human Services,

I am thrilled with the Department of Health & Human Services' decision requiring health insurers to cover the full cost of contraception, with no co-pay.

Birth control is crucial to preventive care; thus, this decision can decrease health care costs associated with unplanned pregnancies.

Thanks again for smart medical decisions.

Sincerely,

Gerise Herndon
