Dear Kathleen Sebelius, Secretary of Health & Human Services,

I commend the Department of Health & Human Services' landmark decision requiring health insurers to cover the full cost of contraception, with no co-pay, beginning in August 2012.

As a therapist who works in a health center in a Chicago Public high school, I know how important it is for young women to have access to health care and make their own decisions about reproductive health without restrictions. Bravo.

Sincerely,

Sarah Buino
