Subject: Pregnancy is not a disease.
Date: Thursday, August 04, 2011 9:17:53 AM

Viruses, Tumors, Cancer, Bacteria, Mental Illness, Organ Failures....
I wish I could stop all of those things from human existence...

BUT A HUMAN CHILD is not something that should be considered a disease.
Do not force me to pay for or support those things that I morally oppose.

Thanks,

Rick Harvala
