Dear Kathleen Sebelius, Secretary of Health & Human Services,

I commend the Department of Health & Human Services' landmark decision requiring health insurers to cover the full cost of contraception, with no co-pay, beginning in August 2012.

Thank you for prioritizing women's basic health care needs.

Ms. Sebelius, please know that EVEN in one of your hometowns, the City of Cincinnati, we have many progressive thinkers who want the best care for all of our citizens. We need as many medical tools available as possible to help our citizens form the families which they desire.

Sincerely,

Bonnie Stowell
