Marysville, WA, 98271

Email: rick.bligh@gmail.com

Phone: 360.651.8913

Submitter's Representative: Rick Larson, WA-2

General Comment

Improving women's access to birth control is positive in so many ways. A woman who can plan when to have a family is able to participate in society more fully. Allowing women to space their pregnancies contributes to healthy childbearing. And ultimately, fewer unintended pregnancies can reduce the need for abortion.
