To Whom It May Concern:

We are actively seeking how we can transform our business into a church. That way we will not be forced to pay for services that are outside our values and beliefs. Yes, pregnancies and STDs happen. That's what happens when two people engage in intercourse. That's what parents/guardians are suppose to teach their children. However, that's no longer the responsibility of parents nowadays, is it?

Let's let some stranger teach our children about very personal and private things. Let's make sure they are raised with no values, morals, morale, or rules because if it feels good they should just do it! Let's confuse the poor boys and girls in what their GOD-GIVEN gender is designed for: husbandry (planting the seed and guidance for the offspring) for boys and wifery (harvesting/raising the offspring) for girls. Let's tell our precious children that it's fine to sleep around and not get married. Rape, incest, homosexuality and other sexually deviant acts are being encouraged because of confusion and lies from those supporting these acts.

I'm describing you, are I? Yes, I am . . . .

What's that? You say you've never raped anyone or committed incest and not even homosexual? If you're not part of the cure, sweetie, you're just as guilty as someone who does these things!!!

What's that? You say there's nothing wrong with homosexuality? ARE YOU FOR REAL? You are a damned fool if you think this way! "Damned" means you are cursing yourself to an eternity of hell. "Fool" defines you as one who is ignoring the almighty God's truth which is the real truth and not perverted in any way.

You do not have to be this way. You are an intelligent, beautiful, gifted creation that God Himself crafted with care! He doesn't want you to be separated from Him. Are you mad at Him for something you say He's done? The evil one is telling you God hurt you. He hasn't hurt you, dear one. God loves you too much for that. Very bad things have happened to me too, but God didn't do these to me. Some of them I brought on myself. Some were as a result of what others have done and their actions affected me. Some things just can't be explained. However, if you stop saying why ME and start looking away from yourself, you will discover the things you experience are to strengthen you. As I said, very bad things have happened to me also, but I'm not a victim. I'm a child of a King! I'm the child of the living God! No one and nothing can take that away from me!!! I was once damned to eternity without Him, but I accepted Jesus as the Lord of my life. He rescued me from that fate. You can be rescued too.

Jesus (the Son of God, God incarnate) came to earth and was born of a virgin. He taught His Father's will for a short time before being sentenced to death by crucifixion. He was laid to rest in a borrowed tomb on a Friday evening and was raised miraculously on that Sunday morning! He ascended to Heaven 40 days later and will return to gather us (those who have accepted him as Lord of our lives and publicly confessed Him as our Savior) soon! If/When you believe this, simply ask Him, "Dear Jesus, please forgive me of my sins. I want you to be my Lord and Savior of my life. In Jesus name I ask this." You are now SAVED!!!! Then, pray your first real prayer to your Heavenly Father: "Dear Father, thank you for sending Jesus to be the Savior of my life. Thank you for Your love and mercy on me. Thank you for welcoming me into your holy kingdom, Father. Help to live my life for You, Father. In Jesus name, Amen."

Oh dear friend, I truly hope and pray you make this decision soon. If you need more information about this great decision, please get a Bible (NIV or NKJ are my favorites for those new to the Bible) and READ IT!!! LOL it's wonderful! It will help cleanse your thoughts. Jesus cleansed your soul from all unrighteousness (if you accepted him). I believe once you are saved, you are always saved because you can not be taken out of the hand of God. Find a church that has Jesus as it's focal point.

When this has been done, you'll see that what you are supporting is just another step toward degradation of our race.

Love you all in Jesus' name and praying you remember the reasons our brave soldiers died for this great nation.

Sincerely,  
Susan Long
