**Comments on Department of Labor Notice of Proposed Rulemaking
RIN 1210-AB63**

In response to the Department of Labor's July 21, 2016, request for comments on proposed rule *Annual Reporting and Disclosure* (RIN 1210-AB63), we speak in support of comments on the rule and related proposals submitted by the National Academy for State Health Policy in collaboration with the National Association of Health Data Organizations and the All-Payer Claims Database Council (available at <http://www.nashp.org/wp-content/uploads/2016/10/CA-Final-NASHP-Comments-and-Proposal-to-DOL.pdf>). We believe those proposals to be measured and reasonable, and that they will enable states like Utah to continue operating broad-based all-payer claims databases. Broad-based APCDs are one of the keys to the continuing evolution of high-quality, consumer-centric systems of care.

Sincerely,
