Schedule H, Line 4i – Schedule of Assets Held

Currently, we attach a large PDF report of the Schedule of Assets Held to the electronic filing of the 5500. Manually inputting these assets by CUSIP number or other description would be a huge administrative nightmare. We will need to triple or quadruple our preparation fees to cover the additional time incurred to manually input thousands of assets. This does not seem like an efficient method of reporting. Please reconsider this proposed change.

Thank you,

Dana
