Document: EBSA-2010-0050-DRAFT-8521

Comment on FR Doc # 2017-04096

Submitter Information

Name: Kate Davidson

General Comment

The delay caused by the president in the implantation of this rule is a petty political action that should not be allowed on a rule that has already become effective. The Department already conducted the analyses outlined in the president's memo, and this delay is an attempt to prevent the rule from being fully implemented. The conflict of interest provides protections to a significant portion of the population and should not be delayed, rescinded, or revised.
