Document: EBSA-2010-0050-DRAFT-8807

Comment on FR Doc # 2017-04096

Submitter Information

Name: Christopher Walker

General Comment

I want to be able to trust that I am receiving sound advice from a trusted advisor with my interests at heart rather than their own, so the fiduciary rule needs to be implemented on schedule, not pushed back for "more analysis". There has already been extensive analysis regarding the economic benefits of the rule.

The changes already made by many investment advisor firms to implement the rule shouldn't be put on hold by delaying the rule.
