Document: EBSA-2010-0050-DRAFT-8839

Comment on FR Doc # 2017-04096

Submitter Information

Name: Fred Oswald

General Comment

I find it incredible that government officials oppose this rule. We should require that financial counselors act ethically, in the best interests of their clients rather than for selfish personal gain.

As a NASA retiree and Thrift Savings Plan participant, I should be able to count on any financial advisors giving me advice that is in my best interest, not just theirs.

Please reject any proposals to delay or weaken the fiduciary rule.
