Document: EBSA-2010-0050-DRAFT-9149

Comment on FR Doc # 2017-04096

Submitter Information

Name: Robert Vopacke

General Comment

This rule would ensure that the advice I was being given is in MY best interests vs. the best interests of my financial advisor. I see no reason to delay implementing this rule except to pander to the financial industry. Please implement the new rule ASAP.
