Comment on FR Doc # 2017-04096

Submitter Information

Name: Samuel Leven

General Comment

My wife and I both have a substantial share of our retirement savings in 401(k) programs. We rely on the independence of those running our funds in order to secure our future. The fiduciary rule helps us, like it helps all Americans, be confident that our retirements are in good hands. Please don't delay its implementation.
