Document: EBSA-2010-0050-DRAFT-9710

Comment on FR Doc # 2017-04096

Submitter Information

Name: Constance Wagner

General Comment

The Fiduciary Rule is one of the best consumer protection rules around for your constituents old or young. It boggles my mind that Congress would rescind it, unless they truly are 'in bed' with the financial industry.

Please do not take away this rule.
