Subject: No delay

To the Department of Labor:

How can a delay in a rule that would protect American consumers--at no cost to anyone except those who wish to lie--be justified?

It seems totally straightforward to ensure that those who advise people on retirement investments are not bilking those who hired them. It is shameful that there is any question about this rule.

Please make sure it goes into effect in April.

Thank you.
Carol Rissman

Thanks,
Carol
