

Dear Labor Dept.,

I'm part of the #WomensMarch movement.

I'm concerned about:

Scamming of retirees

Here's why:

We don't want unrealistic promises
in order to score clients on
commission

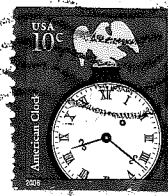

We need to protect Americans'
retirement savings. People live longer,
we need every penny we've put aside, to
be independent citizens. Hold people
accountable.

I look forward to your response on what actions you are
taking to address this matter.

Sincerely, *AS Bunde*
