Please, help me understand!
Why you want to cost the Average
Investor Money? If we (the advisors)
Convert all Retirement Accounts to
Fee Based (IRA, Sep 5 Roth IRA, etc)
You will Impact the ongoing
Cost, the Average taxpayer will
Spend! Please see my Ten year
look into the "Average portfolio".
I would love to take the pay
raise, BUT I Don't consider it
Fair to my clients / IF you Force me I will
OR Go out of Business!
This IS Real Simple Take A look!

Sincerely
