To: President Donald J Trump, Senators
and Congressmen,

On June 9th the unelected democrats
will continue another illegal
victory, UNLESS YOU ACT

The controversial "Fiduciary" rule -
Wall Street's Fee Bonanza,
imposed by the former head of
the Dept of Labor Tom Perez, who
is the current head of the DNC,
will continue. This rule violates
the constitution, as the Dept. of
Labor has no right to regulate
FRAs.

Please rescind this draconian Rule,
which will hurt the small
investor and increase Wall Street's
fees by 50%.

Sincerely,
Fred B. Hodapp
