**Subject:** Fiduciary rule

My name is Carter Knobel, I am a financial advisor with Stifel in Anderson SC. I hope you reconsider the fiduciary rule. As I prepare for the implementation of this rule, it is becoming more obvious that this rule will not help anyone. This rule is seemingly getting rid of the little man's ability to make their own investment decisions. It also is creating more uncertainty for advisors, clients, and investment firms. The rule creates a lot of cross purposes and is confusing. If you would like to discuss further, please call me.

Sincerely,

Carter Knobel
