Subject: Do not repeal Fiduciary Rule!!!
Date: Wednesday, July 12, 2017 2:55:54 PM

Employee Benefits Security Administration U.S. Department of Labor,

I am 51 years old and make a modest salary. I am VERY concerned about what may become of my retirement savings if the fiduciary rule against conflict-of-interest financial advisors is rolled back. Please support middle class families, not unscrupulous financiers.
