Subject: RIN 1210-AB82 Enforce the fiduciary rule
Date: Tuesday, July 11, 2017 11:14:16 AM

Employee Benefits Security Administration U.S. Department of Labor,

The current fiduciary rule is the right way to constrain financial advisers. Without it, they are simply used-car salesmen, making a profit from every sale they "advise" their clients to make, whether or not it is good for the client. I demand the Department of Labor protect working people and retirees by fully implementing and enforcing the fiduciary rule.
