**Subject:** RIN 1210-AB82 Protect retirees: Fully implement and enforce the fiduciary rule  
**Date:** Friday, July 14, 2017 1:38:51 AM

---

Employee Benefits Security Administration U.S. Department of Labor,

Why are you trying to gut retirees? I hope that all Americans take note of this action and take suitable steps to protect themselves. If you weaken or abolish this rule then maybe you should kiss your career goodbye.
