Subject: RIN 1210-AB82 Protect retirees: Fully implement and enforce the fiduciary rule
Date: Friday, July 21, 2017 11:49:16 AM

Department of Labor,

The Trump administration is trying to weaken, or even roll back this critical rule. They're siding with Wall Street "advisers" over working people—robbing families of their hard-earned retirement savings. You must act now to protect the retirement security of working people.
