Subject: RIN 1210-AB82 Protect retirees: Fully implement and enforce the fiduciary rule
Date: Saturday, July 22, 2017 12:45:41 PM

Department of Labor,

please do everything in your power to preserve the current "fiduciary rule." Protecting ordinary Americans should be a top priority of the U.S. government; not making it easier for unscrupulous financiers to line their own pockets while fleecing those who trust them.
