Document: EBSA-2018-0001-DRAFT-0030

Comment on FR Doc # 2017-28103

Submitter Information

Name: Diane Stevens

General Comment

Association Health Plans should not be allowed. This type of health plan will offer cheaper, skimpier coverage plans which will tend to attract younger, healthier individuals and that will result in those who want more robust coverage under the ACA exchanges to be faced with paying unacceptably high premiums or foregoing coverage. This is not an acceptable way to provide health care to Americans.

RIN 1210-AB85. should not be put into place.
