## General Comment

I'm glad to see NAR advocating and commenting on proposed changes for self employed individuals, so that we can have more health insurance options.

Here is a 5 year history of my individual monthly health insurance premiums (medical only-no vision or dental). I have no pre-existing conditions and take only one prescription drug, have had no surgeries.

2018 \$822.45 \$6500. deductible

2017 \$567.79 \$6500. deductible

2016 \$354.82 \$6500. deductible

2015 \$481.17 \$2500. deductible

2014 \$451.00 \$1200. deductible
