General Comment

To All concerned Parties....

Teachers, nurses and any public employee should be able at any time to access their pension information/401k information without any delays or restrictions UPON THEIR PENSION INFORMATION SECURITY REQUEST ACT if they so desire.

Pensions should be accessible publicly by their owners. Teachers for example need to see how their pensions are growing or shrinking for retirement purposes....and how they are managed for purposes of political/fossil fuels/ endeavors and investments. Our pensions are OURS to seek out and view....

They should be accessible to teachers and public servants everywhere domestically by their owners whenever they so choose to view their standings!!!

Thank You, Ms Ll Dd
