General Comment

To Whom It May Concern:

I am writing today to ask you to withdraw your new proposed rule RIN 1210AB90 that would change how I get information about my retirement plan,

I am worried that under the new rule, everyone will now have to scramble to find information that we are entitled to under the law. Even people who know computers well should be able to count on getting their retirement information through the mail, so we can keep the documents and check to make sure nothing is going wrong.

I ask that you withdraw the rule and go back to the drawing board. Before you make any changes, you should talk to retirees and workers and ask us what we want and makes sense to us. This is our information and we should be able to get it in the most easy and efficient manner.

Sincerely,
