General Comment

Please be advised that the undersigned is in favor of a proposed amendment to the rules relating to fiduciaries voting proxies at shareholder meetings. That not all proposals need to be voted upon or even considered if it is not clearly obvious that it is in the best interest to the financial benefit of the corporation and the shareholders thereof. If it is in any way supporting a political agenda, and especially a liberal-progressive agenda, it should not be recognized or voted upon. Fiduciary's responsibility should be to pursue the best financial result and not a political purpose. This would include any social-activists proposal or proxies.
