Financial Factors in Selecting Plan Investments

Document: EBSA-2020-0004-DRAFT-0186
Comment on FR Doc # 2020-13705

Submitter Information

Name: Ralph V

General Comment

People and companies should be allowed to invest by whatever means they choose and that includes in socially responsible funds. There should be no restrictions in what companies/investments are listed as default in a fund. Reject this rule
