Financial Factors in Selecting Plan Investments

Document: EBSA-2020-0004-DRAFT-0201
Comment on FR Doc # 2020-13705

Submitter Information

Name: Constance Casey

General Comment

No. Do not do this. The oil and natural gas companies are going to fail, collapse and burn like a Trump business. We shouldn't use our funds to Weekend at Bernies them for a few more years. It's going to hurt our investments, hurt the plant, and give zero return.
