Financial Factors in Selecting Plan Investments

Comment On: EBSA-2020-0004-0002
Financial Factors in Selecting Plan Investments

Document: EBSA-2020-0004-DRAFT-0233
Comment on FR Doc # 2020-13705

Submitter Information

Name: Eli Dumitru

General Comment

I support the requirement that investments be fiduciarly sound. I am against investing in funds controlled by non-transparent entities. Any investment that may have transparency impeded by the Federal Financial Accounting Standards 56 should be prohibited. Please see attached file for details.
