Financial Factors in Selecting Plan Investments

Document: EBSA-2020-0004-DRAFT-0358
Comment on FR Doc # 2020-13705

Submitter Information

Name: Bruce Darr

General Comment

401k's are long term investments and I believe ESG criteria are very important considerations for us to consider. Employees should have the right to invest their retirement funds in ESG related companies and funds.
