Financial Factors in Selecting Plan Investments

Comment On: EBSA-2020-0004-0002
Financial Factors in Selecting Plan Investments

Document: EBSA-2020-0004-DRAFT-0417
Comment on FR Doc # 2020-13705

Submitter Information

Name: Patrick Hanlon

General Comment

Why would the federal government purposely lessen information available to 401(k) retirement plan investors? Isn't greater access to information regarding investments more beneficial to investors. By what standard can the federal government censor information available to retirement plan investors?
