Financial Factors in Selecting Plan Investments

Document: EBSA-2020-0004-DRAFT-0509
Comment on FR Doc # 2020-13705

Submitter Information

Name: Peter Gang

General Comment

I am firmly opposed to this proposed rule restricting the use of environmental, social, and governance (ESG)-themed investments within tax-qualified retirement plans governed by the Employee Retirement Income Security Act (ERISA).

Fiduciaries must have the freedom to evaluate financial performance without burdensome, unnecessary, and arbitrary restrictions.
