Financial Factors in Selecting Plan Investments

Document: EBSA-2020-0004-DRAFT-0610
Comment on FR Doc # 2020-13705

Submitter Information

Name: Chris Bray

General Comment

Im appalled at a thinly veiled law to take rights and freedom away from people who have the constitutional right to make decisions regarding our investments. How can you decide what investments we the people can and cannot make. I suspect this is an attempt to keep us from supporting causes which promote environmental and other progressive issues. Do not interfere with how we decide to invest our money. Your move is unconscionable. This is something that an authoritarian government does, not a democracy.
